KEY INFORMATION

Mortgage Protection is a life assurance protection policy. The purpose of the Life Cover is to provide a lump sum if you die during the term of the policy. If Specified Serious Illness Cover is included its purpose is to provide a lump sum if you are diagnosed with one of the specified serious illnesses covered during the term of the policy. A Specified Serious Illness Cover claim will only be paid based on the Specified Serious Illness Cover Definitions which state the exact conditions which must be met for a claim to be paid.

Mortgage Protection is designed solely to provide protection benefits. There is no payment if you survive to the end of the term and no surrender value is payable at any stage.

This brochure should be read in conjunction with the relevant Policy Conditions booklet which contains full details of the Benefits provided and the Terms and Conditions which apply. The Policy Conditions booklet is available on request.

This brochure is designed as a quick reference to the main features of your Mortgage Protection policy.

YOUR INTRODUCTION TO MORTGAGE PROTECTION

Security when you need it

We all value our home as a place to relax, a sanctuary from day-to-day life, a base for our families and a home to our children. It's a place that often holds many memories. And, quite often, it's something we see ourselves leaving to our children – as an investment in their future.

Like many people, your mortgage is probably your largest financial responsibility. Of course, there's always a worry that should you die or become seriously ill, your family may have difficulty meeting this large liability.

Mortgage Protection from Royal London is a simple, cost effective way for you to insure your life and give you the peace of mind of knowing that if you were to die within the term of the policy, Royal London will provide a lump sum to go towards paying off your outstanding mortgage.

With Mortgage Protection from Royal London you can choose Life Cover only or Life Cover with Accelerated Specified Serious Illness Cover.

Life Cover provides a lump sum if you die within the term of your policy. Specified Serious Illness Cover provides a lump sum if you suffer from one of the 52 specified serious illnesses we cover within the term of your policy. In addition, if Specified Serious Illness Cover is included in your policy, you will also be covered under our Partial Payment Specified Serious Illness Cover for an additional 33 specified illnesses.

With Royal London's Mortgage Protection the level of cover you select reduces each month in line with a repayment mortgage of the same amount, based on the interest rate you have chosen at the outset of the policy. The fact that the cover reduces over the term you select means that this type of policy is one of the most cost-effective ways for you to insure your life.

Security for your family

Of course, the thought of dying, is not something that anyone likes to dwell on, but by putting in place a Mortgage Protection policy with sufficient cover for your mortgage, you can have the peace of mind that comes with knowing that you're helping to protect your family's financial future.

In summary, if you're looking for Life Cover that offers you financial security at a competitive price, then a Royal London Mortgage Protection policy could be the one for you. It offers you:

- Straightforward, no-nonsense Life Cover
- A guaranteed lump sum, payable if you die within the term of the policy
- A genuinely competitive cost-effective premium
- A guarantee that your premium will not change throughout the term of your policy (although any relevant Government levies will be reflected in your payments)

- Ultimately, the peace of mind that comes from knowing that should you die during the term of the policy, we will provide a lump sum to go towards paying off your outstanding mortgage

In most cases your Mortgage Protection policy will be assigned to your mortgage lender, as security for your mortgage loan. Even if your lender does not require you to arrange Life Cover like this there's no question about it, a Mortgage Protection policy brings you greater peace of mind.

Talk to your Financial Broker about the benefits and advantages of Mortgage Protection from Royal London.

HOW MORTGAGE PROTECTION WORKS

The amount of your outstanding mortgage reduces as you make your repayments. Mortgage Protection from Royal London is designed so that the level of cover you select reduces monthly in line with the amount of capital outstanding under a mortgage of the same amount, based on the interest rate you have chosen at the outset of the policy.

You can select whether you want your cover to reduce in line with a mortgage at an interest rate of 6%, 9% or 13%. The 13% interest rate option is not available if you choose to add Specified Serious Illness Cover to your policy.

The table below shows how the level of cover reduces over the term of your policy depending on the interest rate you select. The example is based upon initial cover of €200,000 for 30 years.

Term outstanding (years)	Remaining Cover at 6% interest rate	Remaining Cover at 9% interest rate
30	€200,000	€200,000
25	€185,739	€191,219
20	€166,655	€177,708
15	€141,117	€156,920
10	€106,940	€124,934
5	€61,205	€75,721

The mortgage outstanding and hence the cover remaining, is higher throughout the term of the policy if the 9% interest rate is chosen rather than the 6% interest rate. The fact that the cover is higher for the 9% interest rate also means that the premium is higher for the 9% interest rate than the 6% interest rate.

In most cases your policy will be assigned to your lender, and should you die the policy proceeds will be paid directly to them. If the policy is not assigned to your lender, in the event of a death claim the policy proceeds will be paid to your personal representative.

Of course, if your circumstances change and you no longer need your Mortgage Protection policy you can contact your Financial Broker to discuss your options.

Please note: If you take out cover for the same amount as your mortgage, but your mortgage interest rate is on average higher than the interest rate you choose for your Mortgage Protection policy, then your cover will not be sufficient to fully repay your outstanding mortgage if you make a claim. This may also be the case if you modify any of the terms of your mortgage, or if any mortgage repayments are not made when they fall due.

DID YOU KNOW?

If you pay off your mortgage earlier than expected, you can keep your policy going as a separate Life Assurance policy.

How much do I pay?

Your premium (or the cost of your policy) depends on factors such as:

- The amount of cover you choose
- The number of lives covered under the policy
- The term of the policy
- Your age
- Whether you smoke or not
- Your health, occupation and pastimes
- Whether you choose to add Specified Serious Illness Cover to the policy

Your Financial Broker will be able to advise you of your premium which is guaranteed not to change for the term of your policy (although any relevant Government levies will be reflected in your payments).

BENEFITS INCLUDED WITH MORTGAGE PROTECTION

As part of our commitment to offering our policyholders maximum value for their ongoing custom, you'll also receive a number of additional benefits with your Mortgage Protection policy:

Special Events Increase Benefit

This is also known as a 'Guaranteed Insurability Option'. This benefit provides the option to increase the level of Life Cover and Specified Serious Illness Cover (if any applies), without providing further medical evidence, following any of these events:

- Increase in your mortgage, either to purchase a new main residence or for home improvement of your main residence
- Marriage
- Birth or adoption of a child

Full details of these Benefits and the Terms and Conditions which apply are contained in the relevant Policy Conditions booklet, which is available from your Financial Broker.

The maximum increase you can make following any one of these events is the lower of €100,000 and 50% of the original level of cover for that benefit. The maximum total increase you can make for all events over the policy term is the lower of €200,000 and the original level of cover for that benefit. Your premium will be adjusted accordingly.

Any increase in Specified Serious Illness Cover must be matched by the same increase in Life Cover. However, should you choose to, you are able to increase the level of Life Cover only.

This option ends when you reach age 55, or when the older person reaches age 55 for a Joint Life policy. **Please note, the availability of this option is subject to underwriting at the time the original policy is taken out.**

Terminal Illness Benefit **(Prepayment of Life Cover)**

It's not a pleasant thought to ponder of course, but in the event that you are diagnosed with a terminal illness and have less than 12 months to live, we will pay the full amount of Life Cover as at the date of diagnosis. A terminal illness is an illness where, in the opinion of the attending Consultant and Royal London's Chief Medical Officer, you will not survive the next 12 months.

Children's Life Cover

The death of a child is certainly not something anyone likes to think about especially when it is your own child. However, a sum of €5,000 will be payable if a child of yours dies during the term of the policy. All of your children from the age of 3 months until their 18th birthday (21st birthday if in full time education) are covered during the term of the policy.

Full details of these Benefits and the Terms and Conditions which apply are contained in the relevant Policy Conditions booklet, which is available on request from your Financial Broker.

SPECIFIED SERIOUS ILLNESS TAKING THE LOAD OFF YOUR MIND

Have you considered how you would continue to pay your mortgage should you suffer a serious illness? It's not a thought any of us like to dwell on, but the unfortunate reality is that it could happen to any of us at any time.

What is Specified Serious Illness Cover?

If you choose to add Specified Serious Illness Cover to your Mortgage Protection policy it can provide additional security to you and your family by paying a guaranteed lump sum to help repay your mortgage, if you are diagnosed as suffering from one of the 52 specified serious illnesses we cover, during the term of your policy. You will also be covered under our Partial Payment Specified Serious Illness Cover for an additional 33 specified illnesses.

But what are the chances of suffering a serious illness?

The chances of suffering a serious illness may be much higher than you think.

Please note: Not all incidences of illnesses such as cancer or a stroke will be covered under Royal London's Specified Serious Illness Cover policy. We will only pay a claim based on our Specified Serious Illness Cover Definitions. Royal London's 'Specified Serious Illness Cover Definitions Guide' provides a detailed description and explanation of the 52 specified serious illnesses we cover. This guide clearly states the exact conditions which must be met for a claim to be paid. Full details of Specified Serious Illness Cover and the Terms and Conditions which apply are contained in the relevant Policy Conditions booklet, which is available from your Financial Broker.

You decide, you choose

One of the key aspects of choosing Specified Serious Illness Cover with your Mortgage Protection Policy from Royal London is that you can choose the amount of Specified Serious Illness Cover you need and can afford, from 10% to 100% of your Life Cover.

By choosing a Royal London Mortgage Protection policy with Specified Serious Illness Cover and having sufficient cover in place, you could lessen some of the financial problems that may occur should you suffer a serious illness.

How does this cover work?

Specified Serious Illness Cover on your Mortgage Protection policy is an 'accelerated' benefit. This means that if you make a claim on one of the 52 specified serious illnesses covered by Royal London, your Life Cover will be reduced by the amount of the Specified Serious Illness Cover claim.

For example, let's say you have €200,000 initial Life Cover over a term of 30 years and you choose to add €150,000 Specified Serious Illness Cover. The table below shows the decreasing levels of cover in place over the 30 year term of your policy.

€200,000 Life Cover and €150,000 Specified Serious Illness Cover

Outstanding Term (years)	Life Cover based on 6% Interest Rate	Specified Serious Illness Cover of 75% of Life Cover	Remaining Life Cover after Specified Serious Illness Cover Claim
30	€200,000	€150,000	€50,000
25	€185,739	€139,305	€46,434
20	€166,655	€124,992	€41,663
15	€141,117	€105,838	€35,279
10	€106,940	€80,205	€26,735
5	€61,205	€45,904	€15,301

After 10 years, with 20 years remaining on your policy your Life Cover has reduced to €166,655 and your Specified Serious Illness Cover has reduced to €124,992. If a Specified Serious Illness claim was paid at this time then your Specified Serious Illness Cover would end and your Life Cover would reduce to €41,663 (i.e. €166,655-€124,992=€41,663). Your premiums would also reduce to reflect the lower Life Cover now in place.

If the amount of your Specified Serious Illness Cover is the same as your Life Cover and you make a Specified Serious Illness Cover claim then your policy will end.

Who is covered under this policy?

You may cover your own life only: 'Single Life Cover', or you may take out a policy on two lives: on either a 'Joint Life Cover' or a 'Dual Life Cover' basis. The choice is yours.

Dual Life Cover is not available for Mortgage Protection policies with Specified Serious Illness.

Cover on one life only

This is known as 'Single Life Cover'

Cover is provided on one life only.

Cover on two lives

Joint Life Cover

'Joint Life Cover' provides cover for 2 people, for example yourself and your spouse, who are both insured for the same amount. Where cover is on a Joint Life basis, a claim for one of the lives will reduce the overall level of cover provided by the policy, by the amount of the claim.

For example, Tom and Mary have a Joint Life policy for €200,000 Life Cover and €150,000 Specified Serious Illness Cover. 10 years after taking out the policy, Tom unfortunately suffers a heart attack (which satisfies our Policy Conditions), and the policy pays out €124,992 Specified Serious Illness Cover policy proceeds.

As the policy was set up on a Joint Life basis there is now, following the Specified Serious Illness claim, just €41,663 Life Cover remaining for either Tom or Mary. (See table on page 13 for calculation explanation).

Dual Life Cover

Alternatively, the cover can be arranged on what is known as a 'Dual Life' basis. Where cover is on a Dual Life basis, cover is provided separately for the two lives. As the two lives are covered independently, a claim for one of the lives has no impact on the levels of cover relating to the other life. Dual Life Cover is available for Life Cover only and is not available for Mortgage Protection policies with Specified Serious Illness included.

For example, Tom and Mary have a Dual Life Mortgage Protection policy for €200,000 Life Cover. 10 years after taking out the policy, Tom unfortunately dies, and the policy pays out €166,655 Life Cover proceeds. (See table on page 13 for calculation explanation).

As the policy was set up on a Dual Life basis, following the payout for Tom's Life Cover, the policy will continue to provide Life Cover (on a decreasing basis) for Mary. The monthly premium will also reduce to reflect that only one life is remaining on the policy.

Children's Specified Serious Illness Cover

Of course, no one wants to think about a child being ill. But if Specified Serious Illness Cover is included as part of your policy, this benefit provides cover for your children. All of your children from birth until their 18th birthday (21st birthday if in full time education) are covered during the term of the policy.

The cover is 50% of the level of Specified Serious Illness Cover at the date of diagnosis, up to a maximum of €25,000. In addition, your children are also covered for one partial payment of 50% of the level of Specified Serious Illness Cover at the date of diagnosis, up to a maximum of €7,500.

For a Children's Specified Serious Illness Cover benefit to be paid, the child must survive the specified serious illness for a period of at least 14 days after diagnosis. Pre-existing medical conditions are excluded.

We will not pay a Children's Specified Serious Illness claim for

- Loss of Independent Existence
- Brain injury due to anoxia or hypoxia and Intensive Care requiring mechanical ventilation for 10 consecutive days, before the age of 90 days.

Donor Recipient Cover

If Specified Serious Illness Cover is included as part of your policy, this benefit will provide cover in the event that the Life Assured donates a living organ to a family member. We will pay €2,500 to the family member who has received the living organ as a one off cash lump sum if the Life Assured donates one of the following:

- Kidney; or
- Portion of Liver; or
- Portion of Lung; or
- Bone Marrow provided that the family member has undergone pre-conditioning with myeloablative chemotherapy and/or radiotherapy.

Pre-existing conditions, stem cell, islet cell and any other organ or tissue donations are excluded.

Advance Payment of Benefit for Heart Surgery

- Aorta Graft Surgery
- Coronary Artery Bypass Graft Surgery
- Pulmonary Artery Surgery
- Heart Valve Replacement or Repair

We will deduct the amount we pay from the total level of Specified Serious Illness Cover and pay any remaining Specified Serious Illness Cover after the surgery has taken place. Once an advance payment has been made the Life Cover will also reduce by the same amount.

Full details of these Benefits and the Terms and Conditions which apply are contained in the relevant Policy Conditions booklet, which is available on request from your Financial Broker.

ADDITIONAL OPTIONS

Conversion Option

By selecting to include a Conversion Option on your policy you obtain a benefit which gives you the option to convert your cover into another policy, without having to provide evidence of health. A Conversion Option is available on Mortgage Protection policies for Life Cover only and is not available on policies with Specified Serious Illness cover.

You pay a slightly higher premium should you wish to include the Conversion Option in your policy, and the option can be used at any time during the policy term up to your 70th birthday (or before the 70th birthday of the older life for Joint Life or Dual Life policies). The premium rates in place at the time of conversion, appropriate to your age at that time will apply. Any special conditions, exclusions or ratings which applied to the original policy will also apply to the new policy.

When you take out your Mortgage Protection policy with Royal London you'll need to decide from the outset if you wish to include this Conversion Option in your policy. Full details of the Conversion Option and the Terms and Conditions which apply are contained in the relevant Policy Conditions booklet, which is available on request from your Financial Broker.

YOUR QUESTIONS ANSWERED

Who can be covered under this policy?

You may cover your own life only: 'Single Life Cover', or you may take out cover on two lives: on either a 'Joint Life Cover' or a 'Dual Life Cover' basis. Dual Life Cover is not available for policies with Specified Serious Illness. Where cover is on a Joint Life basis, a claim for one of the lives will reduce the overall level of cover provided by the policy, by the amount of the claim.

How long will my cover last?

You choose the term that suits your circumstances. However, the minimum term that you can select is 5 years and the maximum term you can select is the lesser of 40 years, or the term (in exact years) that would bring you up to the age below:

- 90 next birthday for Life Cover only
- 75 next birthday if Specified Serious Illness Cover is chosen

For example, John, who is 55 next birthday, selects Life Cover only. Therefore the maximum term he can select is 35 years (i.e. maximum age of 90 minus John's current age of 55 means John can select a maximum term of 35 years).

For Joint Life Cover or Dual Life Cover the older life is used to calculate the maximum term. For example, John is 55 next birthday and Mary is 60 next birthday. If John and Mary select a Life Cover only policy then the maximum term is 30 years.

What are the minimum and maximum amounts of cover I am allowed?

- Minimum Life Cover: €10,000
- Minimum Specified Serious Illness Cover: €10,000. However the amount of Specified Serious Illness Cover must be at least 10% and no more than 100% of the amount of Life Cover

The maximum amount of cover available to you depends on your personal circumstances. However, the maximum amount of Specified Serious Illness Cover we provide is €1.4 million. Contact your Financial Broker for more information.

How do I make a claim on my policy?

Royal London's Claims Philosophy

It is our philosophy to assess all claims promptly, efficiently and fairly. All valid claims, once admitted, will be paid without delay. In the interests of protecting our policyholders and following thorough investigation, claims which are invalid or fraudulent will be denied.

Making a Life Cover Claim

Firstly, your policy must be in force with all premiums paid at the time of the claim. The person making the claim will need to request a claim form from your Financial Broker or from Royal London in our Dublin office. Once completed the person making the claim should return the form along with the items listed here:

Life Cover Claims Checklist

- Original Registrar's Death Certificate
- Life Assured's original Birth Certificate
- Original Marriage Certificate – if the Life Assured is a married woman and her surname now differs from the surname on her Birth Certificate
- A Grant of Probate or Letters of Administration. If the policy is assigned to a Bank or Building Society, we shall require the original Deed of Assignment from the lending institution. Benefit will be paid to the assignee unless we are given written instructions from the assignee to pay the policy owner directly

Making a Specified Serious Illness Cover Claim (including a Partial Payment Specified Serious Illness Cover Claim)

Before contacting your Financial Broker or Royal London in our Dublin office, check your Policy Schedule and Policy Conditions. They outline the benefits for which you are insured and provide a list of the 52 specified serious illnesses covered by your policy as well as the 33 additional specified illnesses covered by your partial payment cover. They also provide a list of exclusions where the benefit will not be paid. **You must notify us within 3 months of your diagnosis. Failure to do so may invalidate your claim.**

You should then contact your Financial Broker or Royal London who will guide you through the claims process. We will then issue a claim form for completion. In order to process your claim efficiently it is important that you answer all of the questions in full. When you have completed your claim form, return it to your Financial Broker or Royal London along with the items listed here:

Specified Serious Illness Cover Claims Checklist

- Completed Claim Form – signed and dated
- Original Birth Certificate
- Original Marriage Certificate – if the Life Assured making the claim is a married woman and her surname now differs from the surname on her Birth Certificate
- If your policy is assigned, the original Deed of Assignment from your bank or building society

Following receipt of the completed claim form, we will write to your General Practitioner and the Specialist who diagnosed the serious illness. In some circumstances we may ask for an independent medical examination or further tests to confirm the diagnosis.

When these medical reports are received, your claim is processed in our Claims Department by Claims Assessors and our Chief Medical Officer.

Please note:

- **You must notify us within 3 months of your diagnosis. Failure to do so may invalidate your claim**
- Your policy must be in force with all premiums paid at the time of your claim
- For Specified Serious Illness Cover claims, it is very important that you continue to pay your policy premiums until a decision is made on your claim

Payment of a Claim

If your claim is valid and we are in receipt of all of the relevant documentation we will issue payment of the claim amount.

If your claim is declined and benefit is not payable, you will be notified in writing as to why your claim has been denied. Some of the most common reasons for declining a claim are non-disclosure of material facts, misdiagnosis of a specified serious illness, illnesses which are not covered by the policy or if the exclusions under the policy prohibit payment of benefit.

Please note: Royal London reserves the right to make changes to its claims procedures at any time.

What is a ‘Non-disclosure of a Material Fact’?

A material fact is any fact about your health, smoking or drinking habits, occupation, pastimes, policies with other insurance companies or any other fact that may influence the assessment and acceptance of your application by Royal London. If you are in any doubt about whether certain facts are material, these facts should be disclosed. You must continue to advise Royal London, in writing, of all material facts and any changes to any of the information given to Royal London which occur between the date of application and the date that cover commences under the policy. If you don't continue to disclose all material facts or provide Royal London with full and accurate information this may result in the policy being cancelled from inception or any subsequent claim not being paid.

What is ‘Misdiagnosis of a Specified Serious Illness’?

Misdiagnosis occurs where a claim is submitted based on a preliminary diagnosis, but following further investigations, the diagnosis is not confirmed.

Illnesses not covered

The specified serious illnesses covered are defined in your Policy Conditions. Your understanding of what constitutes a serious illness may differ from the specified medical definitions set out in your Policy Conditions. A claim cannot be considered if the illness suffered is not one of the specified serious illnesses specified in your Policy Conditions.

Exclusions

Full details of the standard exclusions applying to your policy are contained in your policy document. Any additional exclusions added during the application process will be outlined in your Policy Schedule.

Are there any tax implications on making a claim?

Under current law and if your claim is successful, tax, in most cases, does not have to be paid on Life Cover or Specified Serious Illness Cover benefits. However in some circumstances tax may have to be paid. For example, if Life Cover benefit is paid to your estate, your beneficiaries may incur an Inheritance Tax Liability on the proceeds of the plan. Your Financial Broker will be able to give you more information, or you can contact your taxation/legal adviser.
